<p>Welcome</p> <p>Call to Order</p> <p>Pledge of Allegiance</p>		
Old Business	<p>Update on sponsorship requests from Bureau of Tobacco Free Florida</p> <p>Legislative Delegation Meeting report</p>	<p>The TPS explained how sponsorship requests are changing and will bring new information to the group as it becomes available.</p> <p>SWAT youth gave an update to the group about speaking at the January Legislative Delegation meeting and how they represented the Partnership also.</p>
New Business	<p>SWAT report</p> <p>Campaign for Tobacco Free Kids activity update</p>	<p>SWAT members reported on plans for Kick Butts Day activities at Trenton High School and at the Suwannee River Youth Fair. SWAT youth were also invited to address the Trenton City Commission on the topic of flavored tobacco at the March 10th meeting. One SWAT youth expressed concern that classmates had been able to purchase e-cigarette products at a local store.</p> <p>The current South Region YAYA gave a report on a media event held in December that highlighted Florida's success in reducing youth tobacco use.</p>

	<p>Grant Renewal – what is on the horizon tobacco prevention from 2015-2018?</p> <p>None</p>	<p>Partnership members also discovered that there is more Florida can do to fully fund the tobacco prevention program to make it even more effective.</p> <p>The Quit Doc staff explained the process of grant application and the award process. Anticipated areas of policy work were discussed as well.</p>
<p>Announcements</p>		
<p>Adjourn</p>	<p>Post meeting presentation:</p> <p>Presentation – TFP and SWAT successes 2008-present.</p>	<p>The Tobacco Prevention Specialist presented the latest county-level results from the 2014 Florida Youth Tobacco Survey. The results of the survey show that youth in Gilchrist County have significantly reduced all form of tobacco use. Additionally, resolutions and individual tobacco policies were reviewed for the past 6 years. Finally, data from SWAT’s annual StoreAlert survey results revealed that the level of point of sale advertising has improved since the first survey was conducted in 2009.</p>
